

PRESS RELEASE - September 10, 2025 – 8:00pm CEST - Montpellier, France - Euronext: MEDCL

UZEDY® Approved in South Korea Following Successful US Launch

Teva Handok announced today that UZEDY®, Long-Acting Injectable Risperidone for Schizophrenia, has received regulatory approval from the South Korean Ministry of Food and Drug Safety

UZEDY® will be distributed in South Korea by Teva Handok, a joint venture between Teva, Medincell's partner, and Handok, a leading South Korean healthcare company

Following its US approval in May 2023, UZEDY® has demonstrated strong commercial performance, reaching \$117 million in net sales in 2024, and already \$95 million in the first half of 2025

Medincell receives mid- to high-single digit royalties on all worldwide sales and remains eligible for up to \$105 million of commercial milestones payments

Christophe Douat, CEO of Medincell said: *"We are delighted to see UZEDY® receive regulatory approval in South Korea, further strengthening the strong commercial momentum observed in the United States since its launch in 2023. More patients living with schizophrenia will now be able to benefit from UZEDY® and its unique features, which position it as the treatment of choice."*

About Medincell

Medincell is a clinical and commercial-stage biopharmaceutical licensing company developing long-acting injectable drugs in many therapeutic areas. Our innovative treatments aim to guarantee compliance with medical prescriptions, to improve the effectiveness and accessibility of medicines, and to reduce their environmental footprint. They combine active pharmaceutical ingredients with our proprietary BEPO® technology which controls the delivery of a drug at a therapeutic level for several days, weeks or months from the subcutaneous or local injection of a simple deposit of a few millimeters, entirely bioresorbable. We collaborate with leading pharmaceutical companies and foundations to improve global health through new treatment options. Based in Montpellier, Medincell currently employs more than 140 people representing more than 25 different nationalities.

This press release may contain forward-looking statements, particularly concerning the progress of the Company's clinical trials. Although the Company considers that its forecasts are based on reasonable assumptions, any statements other than statements of historical fact that may be contained in this press release relating to future events are subject to change without notice, to factors beyond the Company's control and to the Company's financial capabilities.

These statements may include, but are not limited to, any statements beginning with, followed by or including words or expressions such as "objective", "believe", "expect", "aim", "intend", "may", "anticipate", "estimate", "plan", "project", "will", "may", "probably", "should", "could" and other words or expressions of similar meaning or used in the negative. Forward-looking statements are subject to inherent risks and uncertainties beyond the Company's control which may cause actual results, performance or achievements of the Company to differ materially from those anticipated or implied by such statements.

A list and description of such risks, hazards and uncertainties can be found in the documents filed by the Company with the Autorité des Marchés Financiers (AMF) pursuant to its regulatory obligations, including in the Company's document de base, registered with the AMF on September 4, 2018 under number I. 18-062, as well as in documents and reports to be published subsequently by the Company. Furthermore, these forward-looking statements only apply as of the date of this press release. Readers are cautioned not to place undue reliance on these forward-looking statements. Except as required by law, the Company undertakes no obligation to publicly update these forward-looking statements, nor to update the reasons why actual results may differ materially from those anticipated in the forward-looking statements, even if new information becomes available. The Company's updating of one or more forward-looking statements does not imply that it will or will not update these or any other forward-looking statements.

This press release is published for information purposes only. The information contained herein does not constitute an offer to sell or a solicitation of an offer to buy or subscribe for securities of the Company in any jurisdiction whatsoever, particularly in France. Similarly, this press release does not constitute investment advice and should not be treated as such. It is not intended to address the investment objectives, financial situation or specific needs of any particular recipient. It should not be relied upon as a substitute for the exercise of your own judgement. All opinions expressed in this document are subject to change without notice. The distribution of this press release may be restricted by law in certain jurisdictions. Persons into whose possession this press release comes are required to inform themselves about and to observe any such restrictions.
